

Virtual Visits

Access to care online at any time

Use virtual visits when:

- Your doctor is not available – virtual visit providers are available 24/7, 365 days a year
- You become ill while traveling
- You are considering visiting the emergency room for a non-emergency health condition

Use virtual visits for these conditions:

- Bronchitis
- Cold/Flu
- Diarrhea
- Fever
- Migraine/Headaches
- Pinkeye
- Rash
- Sinus Problems
- Sore Throat
- Stomachache

- Integrated with health plan
 - **Choice 1- \$25 copay**
 - **Choice 2 - \$40**
- Use mobile device or computer
- No appointment necessary
- Most visits take about 10-15 minutes
- Doctors can write a prescription*, if needed
