A Commitment to Supplier Diversity

OpenMicSM is an initiative of the Metropolitan School District of Washington Township designed to provide communications relative to vendor relations and supplier diversity for the \$185M Safety, Capacity, Efficiency, Technology, Renovation and Construction Project approved by Township voters in November 2016.

Consistency, Accessibility, and Transparency....those are the hallmarks of our successful supplier diversity initiative in the Metropolitan School District of Washington Township. As part of that effort, I am inviting you to join us for another of our OpenMicSM Conference Calls. As many of you know, OpenMicSM is designed to ensure that communications with you and other potential and present vendors continue throughout the timeline of the \$185M capital construction project approved by voters in November 2016.

Our OpenMicSM Conference Call will be held on Thursday, October 25th at 10AM EST. The dial-in-number is 712-775-7031 and the Meeting ID is 797-478-475. If you plan to join, please RSVP by emailing Priscilla Scalf of the Winston/Terrell Group (priscilla@winstonterrell.com). Winston/Terrell is working with our District to coordinate vendor relations and supplier diversity relative to our capital projects program.

During our OpenMicSM Conference Call, staff of the MSDWT and our professional partners will provide updates, answer your questions and be available to schedule additional meetings. I hope that you will take advantage of this opportunity to learn more about the various projects underway and planned by our School District; to ask questions about present and upcoming procurement opportunities; and to determine how best to network your firm with potential professional partners.

We also realize that you are busy managing your firm. That's why we implemented the OpenMicSM Conference Call. Calls will be held for no longer than one (1) hour and if you need to have a follow up meeting because of discussion points made on the call, we will make sure that is done.

Thank you for working with us to have the Metropolitan School District of Washington Township reinforce our commitment to supplier diversity.

Dr. Nikki Woodson
Superintendent
Metropolitan School District of Washington Township
