"Graduation was one of the most memorable days of our high school experience. We will never forget how proud our fellow students were to wear their cap and gown and to receive their diplomas. Everyone realized that graduation is the start of our future. The education that we received in our Washington Township Schools really made a difference in our lives.

David Smith & Nyla Jones  
Class of 2020

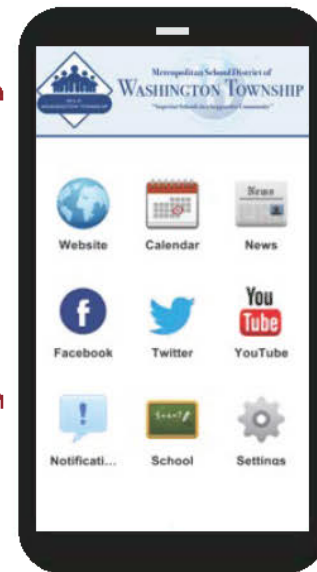

WASHINGTON  
TOWNSHIP SCHOOLS

“As your elected members of the Washington Township School Board and your Superintendent, it is our #1 job to make sure that we provide the academic, social, mentoring and special needs support to make a positive difference in every student’s life. Thanks to your support of the 2016 referendum, we have been able to make the investments needed to support our teachers and to begin the process of making the capital improvements needed to our facilities. We encourage you to learn more about what we are doing to prepare for the future by visiting our website site at [www.msdt.k12.in.us](http://www.msdt.k12.in.us). Please know that we so proud of the accomplishments of our students.”
