

Meal Pickup Procedures

General Information: The Washington Township Child Nutrition Staff will be providing meals for enrolled students during Virtual Learning. We are concerned about the health and safety of our students, families and staff and we will maintain social distancing and wear face coverings. We encourage all families to social distance and wear face coverings during all meal pickup times.

Parents, guardians, caregivers and students can pick up meals at the student's enrolled school. Each enrolled Washington Township student will receive both a breakfast and a lunch unless you inform us otherwise. *Meals will be documented daily and only one breakfast and one lunch per student per day is allowed.*

Daily pickup from 11:00 a.m. - 1:00 p.m. at all schools:

Car Pickup: You can speed up the pickup process by placing a sheet of paper with the student's first and last name in the window of the car. The staff will practice social distancing and use contactless delivery by placing the meals for each student in a pan and the parent will take the meals from the pan. The adult must remain in their car during the process. Students will receive one lunch for that day and one breakfast for the following day.

In-person Pickup: A student may walk up to their school for meal pickup. They will have to provide their name to the staff, maintain social distancing and take the meal(s) home with them to eat.

Pickup locations:

Allisonville -- Main Entrance

Eastwood -- Door 5

Crooked Creek -- Door 1 West

Northview -- Door 5

Clearwater -- Main Entrance

Westlane -- Door 2

Fox Hill Main -- Entrance Door 1
