Nutrition Standards for School Meals

Nutrition standards require schools to offer students the right balance of :

Lean Protein, Whole Grains, Fruits, Vegetables

and **Low-Fat or Fat-Free Milk** with every meal!

- Meals will be held to the same nutritional standards as before.
- Serving and packaging of foods may look different due to Covid.
- School cafeterias are taking extra precautions when it comes to food safety.
 - Check the school's website for the menus.

Start your day the right way...

SCHOOL BREAKFAST The Fuel for School

School breakfast will give you MORE energy, keep your body healthy and help improve your grades.

Served in all 11 schools and costs only \$1.50.

Check with your school for serving times and locations.

Free and Reduced Meal Applications

Free and Reduced Price Meals are available to families who qualify. A **new application must be completed every school year** beginning July 20, 2020, **unless you are otherwise notified that your student has been pre-approved through Direct Certification. Only one (1) Free or Reduced Meal application is required per family.** Incomplete applications **cannot** be approved, so please fill out all required information. If your family chooses to apply, there are **four** ways to do so:

1. Complete an application online for quick processing. Go to **<http://caf .msdwt.k12.in.us>**. Results in 48 hours.
2. Print a paper application and instructions. Go online to www.msdwt.k12.in.us, click Child Nutrition/Spoon Icon, click Download Meal Application in English or Spanish and print to complete.
3. Pick up a paper application and instructions at any school or the H. Dean Evans Community & Education Center.
4. Call the Child Nutrition office at 317-205-3332, extension 77211 and request that one be mailed to you.

All completed paper applications can be returned to any school office, cafeteria or mailed to the H. Dean Evans Community & Education Center, Attention: Child Nutrition, Free and Reduced, 8550 Woodfield Crossing Blvd, Indianapolis, IN 46240. Applications can be faxed to 317-205-3385. You will be notified by phone, mail or email of your student's status within 10 working days of being processed. Questions regarding status please call your school.

Until notification you MUST provide your child with a lunch from home or money to pay for their lunch.

Factors considered in the application process are **household size** and **total household gross income**. **HOUSEHOLD SIZE** is considered all persons, related or unrelated, including parents, children and grandparents who live in your home and share living expenses. The **TOTAL HOUSEHOLD GROSS INCOME** is the income each household member received last month **before** taxes. This includes wages, social security, pension, unemployment, welfare, child support, alimony, and any other cash income. Other determining factors include being a recipient of SNAP (Food Stamps), TANF, FDPIR or Medicaid. **All case numbers will be verified before processing.** Foster children are eligible for free meals regardless of household income but must complete an application for processing.

Students who attended a Washington Township School and participated in the Free and Reduced meal program may eat on last year's free or reduced status for the first 30 days of the school year **or until a new application is approved. During the first 30 days of the school year the student's status will change immediately once the 2020-2021 application has been processed.**

*MSDWT **will not** send a reminder or a notice of expired eligibility when the 30 day grace period ends on September 11, 2020.*

Account Balances: At the start of the school year, account balances from the previous year follow the student to the school where they are enrolled. Any positive or negative balance on the account from the previous year will still be there for the new school year.

Charge Policy: All cafeteria purchases are encouraged to be prepaid before meal service begins. Parents can deposit money directly into their student's cafeteria account by registering at **www.mypaymentsplus.com** at no cost. Cash or checks can also be sent to the cafeteria to be deposited into your student's account. Per USDA guidelines, Washington Township is not allowed to incur negative debt from unpaid meal charges. However, we recognize that there are circumstances that may cause a **student** to not have money in their account. Please visit your student's handbook or website to learn more about meal charges in their school cafeteria.

Purchasing School Meals: The school cafeteria uses a computerized cash register system. Every student has an account and ID number. To access the account at mealtime, a student scans their Photo ID card. Once the account is accessed, all students use the system in the same way. When a cashier rings up breakfast, lunch or à la carte items, the total amount of the sale is deducted from the prepaid balance in the account. When a student owes money or does not have enough on the account, the student may pay with cash at the time of purchase.
