Washington Township Reopening of Schools Plan for In-Person Learning

REOPENING OF SCHOOLS
Thank you for choosing Washington Township Schools! We appreciate your continued support and flexibility as we carefully navigate the complexities of reopening schools during this pandemic.

THE PLAN
• Full Time virtual instruction remains available.
• In-person instruction will be five days per week for elementary students in grades K-5. Grades K-5 will resume initially on a gradual reopening schedule.
• In-person instruction will be a hybrid model for students in grades 6-12. This will involve 2 days in-person and 3 days virtual learning each week.
• Safety precautions recommended to us by MCPHD, ISDH, and CDC summarized on pg. 2.

CHOICES
WT Virtual Academy - You are already familiar with our virtual learning processes. Should you choose to continue this option after we reopen in-person, students may experience changes to their teacher(s) as well as potential changes to their schedules.

In-person learning will occur in traditional class rooms with mitigation strategies related to Covid-19 procedures and protocols.

WT Thresholds for Open/Close of Schools
Data Based on MCPHD COVID-19 School Guidance Dashboard Rate of Positive Cases

<table>
<thead>
<tr>
<th>Percent Positivity (as determined by MCPHD)</th>
<th>Level</th>
<th>Elementary Schools</th>
<th>Middle &amp; High Schools</th>
</tr>
</thead>
<tbody>
<tr>
<td>5.0% or lower</td>
<td>Green</td>
<td>Open for full time in-person learning (along with a Virtual Academy from home option)</td>
<td>Open for hybrid in-person learning (along with a Virtual Academy from home option)</td>
</tr>
<tr>
<td>5.1% or higher</td>
<td>Red</td>
<td>Virtual Learning From Home (with the exception of IEP, designated assessments and students where IEP determines in-person services per School Board Resolution)</td>
<td>Virtual Learning From Home (with the exception of IEP, designated assessments and students where IEP determines in-person services per School Board Resolution)</td>
</tr>
</tbody>
</table>

*Transition from “Green” to “Red” after 2 consecutive weeks (14 days) of data at 5.1% or higher = minimum 1 full school day transition period.

SAFETY PRECAUTIONS

MASKS
Students and staff are required to wear them while on school property and on buses.

GOOD HYGIENE
Students and staff will be asked to wash their hands frequently and schedules will accommodate time for this routine practice throughout the day.

FACILITY CLEANING
We will utilize products confirmed by the manufacturer and EPA to kill Coronavirus and other viruses. WT will continue to clean and disinfect school facilities and equipment in alignment with guidance from the CDC.

CAFETERIA
Elementary students will eat breakfast and lunch in their classrooms. Secondary students will eat lunch in the cafeteria where modifications will be made to allow for more space utilization.

SOCIAL DISTANCING
Students and staff are expected to maintain a distance of 3-6 ft as often as possible. We will remind students not to share supplies and keep their hands to themselves.

SELF ASSESS
Students and staff should not report to school if they have Covid-19 symptoms.

VISITORS
Visitors are restricted in our schools. Parents and non-essential visitors are strongly encouraged to contact the school instead of coming into front offices. Masks are required.

WATER FOUNTAINS
Our drinking fountains will be inoperable with the exception of water bottle filling stations.

SCHOOL BUS
We encourage parents/guardians to provide their child transportation to and from school; however, if this is not possible we will expect students to wear masks, sit with siblings, ride no more than two per seat, face forward and not touch each other.
